

Riding Tuition and Policies

- ✓ We have a covered arena so we will have lessons rain or shine.
- ✓ If the weather is really bad we will have barn lessons.
- ✓ Full Tuition is preferably due on the 1st of each month. If it is a financial burden for you to pay full tuition at the beginning of the month, you may, of course, pay weekly, but please remember you are still committed to the full amount of your tuition and the times you are scheduled to ride. I appreciate your help with this as it helps us to know our monthly income and to pay our expenses as they come due.
- ✓ We will schedule a specific day and time for you or your child to ride. If we must reschedule a lesson, it can be made up at the first available time that fits your schedule during the following 30 days, no problem.
- ✓ If you know in advance at the beginning of the month you will be missing lessons, (due to vacations, etc.) please plan to make it up at another time during the month and pay your full tuition if at all possible. This is a great help to me in paying barn expenses.
